

Zachary-Michael Hooper - 2009 WRKC Cadet Champion

Born March 10, 2001 in Cambridge
His dad Raced TQ Midgets and Supermodifieds
His Grandfather, Great Uncle and Uncle also raced Supermodifieds.
He likes swimming, playing Pokeman, bakugon and DS Video games.
He is in grade 3 French Immersion at school and has a B+/A average.
He lives with his mom and little brother Jimmy.
His favorite color is purple.

Zack started racing when he was 7. His first race he finished 4th and finished 8th place overall.

There were only 3 races Zack actually cared about the win, the July 12th Race he wanted to win for his mom's birthday and he did, the Shannonville Race he wanted to win to buy his brother a Nintendo DS, he came in 2nd, and the Kawartha Race he wanted to win to carry the Checker flag around the Kawartha track and he did. All other races he was simply there to race and have fun, the win didn't

matter.

Zack raced the season on 2 year old + tires, bent side pods and a desire to go out there and have as much fun as possible.

Zack raced 3 of the 6 Brian Stewart Races and finished with 2 wins and a second. He loved being able to race at the different tracks.
For Oktoberfest Zack moved up to the Novice Class for a test run, where he discovered he'll have to work twice as hard if he wants to have some wins next year.. He is excited and is very much looking forward to racing Novice next year.

Austin Bisschop - 2009 WRKC Novice Champion

Hometown: Dorchester, Ontario

Age: 10 yrs old

Austin has been racing for 3 years now and has been extremely successful in his short racing career.

His cousin Tyler Hendricks and his Uncle Scott (Hendricks) started getting Austin and his family into racing just before Austin turned 7. While we have all grown up with racing in our lives, it didn't take long to realize that this was going to happen.

While Austin was in Cadet, his first year, he finished 2nd in points in the Brian Stewart series, while following the next year he took charge, dominating the Brian Stewart Series as well as becoming the Waterloo Regional Karting Club Series Champion. Austin also collected a prestigious Bear Trophy in Shannonville in each of his 2 years in Cadet!

His first year of Novice this past summer, he was excited to be able to go quite a bit faster and proved that speed and patience would pay off, giving Austin the Waterloo Regional Kart Club Championship and a second place finish in the Brian Stewart Karting Series.

When Austin is not racing, his love of hockey takes over and he plays travel hockey for the Dorchester Atom A Dragons! He loves the game of hockey and looks forward to racing when the season begins.

Bob Bailey - 2009 Masters Champion

Bob grew up around the grassroots racing of Sauble Speedway. It was there that he developed a love for racing. Although unable to race at an earlier age, 2 years ago, he decided to "throw" himself into the world of kart racing.

The first year of racing was a great learning experience with lots of memories, and a few accomplishments. These accomplishments included winning a heat race, Rookie of the Year in Masters and of course, meeting many new friends.

This past year was also a great learning experience, but in a very different aspect. Bob found himself having to work a lot harder and longer, as he was consistently at the front of the pack and did not realize how hard it was to be there as well as leading the points. The 2009 season also had its share of accomplishments. Bob won 10 heat races, finished 2nd several times, and usually finished in the top 5.

Hopefully next year, his 3rd season, will bring as much success, and of course fun.

UPDATE !! Bob (actually his wife) has just given birth to the 2017 Cadet Rookie of the Year !!!
