FOR IMMEDIATE RELEASE

BSRKC Renewed as Canadian RMC Qualifier

The principals, organizers and sponsors of the Brian Stewart Racing Karting Championship Series are pleased to announce that the BSRKC series has again been granted qualifier status for the Canadian Rotax Max Challenge. Competitors in the 2009 BSRKC series can qualify for the Nationals by racing in at least three of the BSRKC events that are held prior to the Nationals.

While the location and dates of the 2009 Canadian Championships have yet to be announced, they are expected to place in early August. The BSRKC races at Sutton, Hamilton, Mosport, Flamborough and Shannonville will all be held prior to that time, allowing plenty of opportunities for competitors to qualify for the Canadian Rotax Max Challenge. Please see the [BSRKC 2009 schedule](#) for details.

The [2009 RMC Regulations](#) are now available. Please review these Regulations well in advance of your first BSRKC event.
