

November 14, 2011

For Immediate Release:

**Waterloo Regional Kart Club
Celebration of Champions**

What better way to celebrate another great season of racing than to have a special evening where all the Members of the Waterloo Regional Kart Club gather to collect their trophies and prizes. Every driver received a club sweatshirt, over 120 trophies were handed out, and every driver went home with a door prize. The food was great, a magician provided entertainment while people arrived, and the music and dancing continued until the well after mid-night.

The highlight of the evening for our 2011 class champions was receiving their champion's jackets and trophies. It was a very competitive season in every class and the champions had their work cut out for them, it takes speed and consistency to win a championship. The champion in the Cadet class was Tyson Wassink by winning race day points in 8 races. In Novice it was Andrew Whelan claiming the class championship. The junior light class was on one of the closest battles, with Austin Bisschop claiming the championship on the last race day. The Junior Heavy championship battle also was decided on the last race day, Scott Nagel was the winner. The senior lite trophy and jacket was won by Adam Racine, David Miller claimed the championship in Senior Heavy, and in Masters it was John Dryden with the win.

The club executive is already started planning for the 2012 season. The club will be releasing the 2012 season schedule in early January. For information about the Waterloo Regional Kart Club please visit our website at www.wrkc.on.ca.
