

November 3, 2009

For Immediate Release:

Let the Celebration Begin!

The 2009 season was a huge success for the Waterloo Regional Kart Club (WRKC). We had large fields and close racing all season long. Many of the class championships were decided in the last 2 weeks of racing. The club hosted a Brian Stewart Racing Karting Championship (BSRKC) event at Flamboro Speedway. WRKC members dominated the 4 cycle classes in the BSRKC winning 7 of the 8 class championships. Saturday November 7th, the club is hosting our annual Banquet and award night, to thank our members and sponsors for their support.

The class champions will be honoured with special jackets and trophies to commemorate their achievements. Each year the club hands out 3 very special awards, The Chris Turnbull Award, The Morrow Award and a Club Appreciation Award. These three awards go to club members who have contributed in a significant way to help the club, and club members. A successful season is only possible with the help of many volunteers, some volunteers continually rise to the occasion, and this is our way of recognizing the important contribution these special people have made all season long. Of course, there are also many other awards such as, best appearing kart for each class, and the most sportsman like driver, also for each class. Over 100 trophies and plaques will be awarded. All club racers will receive a trophy.

The club is very thankful to have a number of sponsors that support the club throughout the year. We hope to have them join us for this special evening. Each sponsor will receive a plaque as a token of our appreciation for their generous support.

The banquet will be held at the Grand Valley Golf and Country Club. In addition to great food, the club members will be treated to entertainment prior to dinner, over \$20,000.00 in door prizes and awards, and dancing following the awards celebration. It is always a great event and

will be a good way to finish off what has been a great season.
