2009 EXECUTIVE

There are some key positions open for the 2009 Executive. These are very serious positions. The future of the club depends on our future executive.

If you are considering a position or have someone that you feel would be an asset to the club please see a current Executive member.

TRACK IMPROVEMENTS

We are planning and working hard to make the necessary improvements to our track to make it the premier karting facility in Ontario. This includes improved drainage, more curbing and a new track configuration bypass.

All of this is going to take a lot of money and another huge commitment by our club and volunteers.

Saturday October 18th will be our first scheduled work day at the track. We will begin at 9:00 a.m.

Please contact Jim Collison for more information - 519-653-9317.
