

Waterloo Regional Kart Club

Performance World Car Show

The Waterloo Regional Kart Club will be at the Performance World Car Show to help promote go karting and in particular our club. New members allow the club to continue to offer affordable racing for all our members and this is one way we reach out to new potential members.

We need club members to be in our booth to answer any questions that people may have about the club or karting in general. If you can help please contact Brad Buckler at 416-209-4058 or be email at brad.buckler@emerson.com
