Waterloo Regional Kart Club Race 4 Report

There were 2 things different for the Waterloo Regional Kart Club racers when they arrived at the track on Saturday May 29th, first the sun was shining, and second they had to figure out the fast line while running the track in the reverse direction. It didn't take long for the racers to figure the track out, and the consensus from all the drivers was they really enjoy the track in this configuration.

In the Cadet class it was Ryley Hulme taking the win in the feature race with the #12 kart of Ciarra Collison giving chase to finish 2nd. Nolan Quinton was 3rd, Madison Colling was 4th and Ethan Galvo rounded out the top 5. The novice class was spit into 2 groups. In the A group it was points leader Austin Bisschop with the win, Jordan Howse put in a good drive to nail down the 2nd spot on the podium. Noah Bray, John Ditner and Zachary-Michael Hooper were 3rd, 4th and 5th respectively. In the B group the finishing order was Hudson Turpin in 1st, Kaitlin Neely 2nd, Shelby Durnin 3rd, Joshua Bowler 4th, and Morgan Lowry finishing 5th.

In Jr. Light Joshua Shantz scored the win, with Darren Dryden not far behind to claim 2nd place. Jamie Lockwood was 3rd, Tyler Turnbull was 4th and Justin Billington was 5th. The Jr. Heavy class always puts on a good show and this week would be no different, Tristan Gill was the race winner, Austin Penney was 2nd, Scott Nagel finished 3rd, Brandon Hauck and Justin Collison were 4th and 5th.

The Sr. Medium race was won by TJ Marshall, Adrian Stahle was 2nd, David Miller 3rd, Eric Rier 4th, and Cody Mantel rounded out the top five. The Masters class was won by James Tait, Michael Grinyer was 2nd, Jake Collison finished in the 3rd spot, Rupert Coffen was 4th, and the final podium spot went to Rich Mizener.

Grisdale Racing Products had a busy day at Flamboro Speedway as they were not only the WRKC race day sponsor;

they also were hosting the 1st round of the Grisdale Triple Crown, a three race series for late model cars. For over 30 years Grisdale Racing Products has been a supplier of racing parts, accessories and safety equipment. Their customer base has grown to include racers from all over North America. The Waterloo Regional Kart Club would like to thank them for their support.

The club races next on Saturday June 12th spectators are always welcome; there is no charge to come out and watch some great racing action. For information about the Waterloo Regional Kart Club or to view our 2010 race schedule please visit our website at WWW.WRKC.ON.CA.
