Waterloo Regional Kart Club Race 6 Report

On Saturday June 26th, the Waterloo Regional Kart Club staged another great day of racing at Flamboro Speedway. What made this race day different from our other race days was the outstanding generosity of our club members. The club raised almost \$2000.00 for The Weekend to End Breast Cancer.

The club typically draws for starting positions in the first 2 heat races, but for this special day it was decided to run a qualifying session for the starting positions. The fast qualifier in each class was the recipient of the John Nicholson fast qualifier award. John was a long time resident of Flamborough and a supporter of our club. The winners were Cadet: Ryley Hulme, Novice: Joshua Bowler, Junior Light Justin Billington, Junior Heavy: Brandon Hauck, Senior Medium: Tyler Weber, Masters: Jake Collison.

The race day sponsor was John M Dryden Autobody Technician. John started learning his craft when he was a young teenager and purchased a 1965 mustang he used to learn the family trade under the watchful eye of his father. John started his own business almost 10 years ago, he provides a full range of autobody and automotive painting services, but his specialty is doing collision repair work. John's business is located in Flamborough and he can be reached at 905-977-0292.
