

September 14, 2011

For Immediate Release:

**Waterloo Regional Kart Club
Race 12 Results**

After a break for the Labour day weekend the Waterloo Regional Kart Club was back in action at Flamboro Speedway with 3 straight weekends of racing to finish the 2011 club championship season. The short break didn't seem to have any negative impact on the level of competition, as there were close finishes in just about every class. With a few of the champions yet to be crowned it won't get any easier for the final 2 race weekends.

Our feature class sponsor for the day was Bailey Auctions. Since 1971 Bailey Auctions has been the place to sell everything from antiques, fine arts, building materials, tools, and electronics. Bailey Auctions is a family run business and our proud that they make family values and needs an important part of the business. They have always been active supporters of community activities, we want to thank them very much for their support of the Waterloo Regional Kart Club as our Novice Class sponsor this season.
