Waterloo Regional Kart Club Race 13 Report

The Waterloo Regional Kart Club (WRKC) has a busy month of September with 3 races scheduled for 3 weekends in a row to finish out the season long points race. The middle race of the 3 was held on September 18th and featured some great racing throughout the field. A few of the racers who have already clinched their class title have moved up to the next class, but there are still tight points battles being waged for the rest of the top 5 positions.

Flamboro Speedway has become a very important partner of the WRKC. To recognize their help and support throughout the 2010 season the club nominated them to be our race day sponsor.
