**Waterloo Regional Kart Club
Race 3 Results**

The Waterloo Regional Kart Club (WRKC) member support for our 4 stroke Honda racing program just keeps getting stronger with an amazing 105 karts registered for our 3rd race of the season on May 28th. The racing was close in every class through out the field. The margin of victory for the winner in most cases was less than a second over the 2nd place kart, and the rest of the field wasn't far behind.

The club would like to thank Durnin Motors from Kitchener Ontario for being our race day sponsor. For almost forty years they have enjoyed a loyal following of repeat clientele, who have always appreciated their experience and ability to provide good, honest sales and service. If you are in the market for a new vehicle make sure you visit Durnin Motors at 2131 Kingsway Dr. Kitchener, 519-893-6580
