For Immediate Release:

**Waterloo Regional Kart Club  
Race 14 Results**

The fourteen race 2011 season for the Waterloo Regional is in the books. In 3 of the classes the championship wasn't decided until the final heat race of the year. The club finished its 30<sup>th</sup> year of racing just like it started back in May, with large fields in every class. Often the race winner was decided by a race to the finish line on the final lap with more than 2 karts capable of winning.

The club recognized 2 of our class sponsors; TD Canada Trust provides a full range of financial products and services to personal and small business customers. As a leading customer service provider TD Canada Trust offers anywhere, anytime, banking solutions through telephone and internet banking, with more than 2600 ABM's and a network of approximately 1100 branches across Canada. They are committed to helping you find the right credit solution for the things you want. The club thanks them for our sponsoring our Masters class.

Castrol Racing was the sponsor of our Sr. Lite class for the 2011 season. The familiar red-white-and-green of the Castrol Racing logo has been supporting racing in Canada for more than 100 years. They have developed an impressive track record of supporting Canadian racers and racing series all across Canada, we were glad they chose the WRKC to continue with this tradition.
