Stefan Rzadzinski, OFFC runner-up and Rookie-of-the-Year has received the Brian Stewart Racing Award. This prestigious award package includes a Bell helmet, a custom-made Hinchman driving suit as well as a formal mentoring program.

"I'm extremely excited and honoured to receive the Brian Stewart Racing Award after finishing as the Championship Runner-Up in the Ontario Formula Ford Challenge. With the intention of becoming a professional racing driver, this is an excellent opportunity to develop my skills and be mentored by a Canadian Motorsports Hall of Fame Inductee. I have to thank Brian Stewart Racing for this great opportunity, and I look forward to being a part of the Brian Stewart Racing family in 2010!"

In addition to the racing gear, Stefan will have unlimited access to Canadian Motorsports Hall of Fame Inductee and Firestone Indy Lights Team Principal, Brian Stewart as a personal mentor for a full year. Tele-coaching, face-to-face mentoring at the BSR racing shop in Sutton, Ontario and periodic on-site mentoring at his races in 2010 are all included in this unique mentoring award.
