

AN EXCITING WAY TO ACCOMPLISH YOUR COMMUNITY INVOLVEMENT ACTIVITY.....

Every student who begins secondary school must complete a minimum of 40 hours of community involvement activities as one of the requirements of an Ontario Secondary School Diploma.

The purpose of the program is:

- To encourage students to develop awareness and understanding of civic responsibility
- To increase awareness of the role they can play and gain satisfaction from the contribution they can make in supporting and strengthening their communities
- To develop a positive image and a greater sense of identity within the community.

General information...

The Waterloo Regional Kart Club offers racing for ages 7 to 70. For 35 years, the objective of the Waterloo Regional Kart Club has been to promote 4-cycle kart racing in Ontario while trying to keep the sport affordable. As a volunteer organization we are looking for people to help out on Saturday mornings and in particular with Corner Marshalling, timing, and scoring duties.

In coordination with another volunteer, the Corner Marshalling job is to monitor a particular section (corner) of the racetrack and alert on-coming racers of any dangers as they occur. The Corner Marshalling position is an integral part of the safety net in each and every race in this fast paced and exciting sport.

Timing and Scoring Volunteers work with a club member in running the computerised scoring system in addition to producing starting lineup printouts.

Starting in 2008, the club began racing at our new permanent home of Flamboro Speedway. A typical race day starts at 8:00 AM sharp and ends early afternoon depending on the days racing progress. We require approximately 20 volunteers on any given day.

If you are interested in joining us for a day of excitement, visit our website @ www.wrkc.on.ca and leave a message on the contact page or email todd@retaildesigngroupinc.com as to your availability and we will get back to you ASAP with more detailed information.

Thank for your Interest,
Waterloo Regional Kart Club Executive
