

Waterloo Regional Kart Club

Technical Bulletin 2022-01

Chassis Size

Subject: Minimum Chassis Length for Jr. Light Class

Effective: May 13, 2022

15. Frame and Overall Dimension

15.4 Wheelbase

Revised to include Jr. Light class in 940mm wheelbase exemption. Rule 15.4 revised to read as follows:

15.4 Wheelbase: Maximum 1100mm, minimum 1010mm, as measured longitudinally between the true axle centres. Except Cadet, Novice **and Jr Light** class minimum wheelbase is 940mm.

Please note, Rule 16 has not been revised with regards to wheels and tires. All Jr. Light drivers are to compete with 170mm-185mm rear wheels and 11 x 6.00 – 5 rear tires.

Regards,

The 2022 WRKC Board of Directors
