

Waterloo Regional Kart Club Technical Bulletin 2022-02 “Push-Back” Nosecone

Subject: “Push-Back” Nosecone for the Novice Class

Effective: July 11, 2022

22. Bodywork

22.2 Nosecone

Revise rule 22.2.II. to include the Novice Class requiring “push-back” or “drop-down” nosecone system. Rule 22.2.II revised to read as follows:

22.2.II All members of **Novice**, Jr. Light, Jr. Heavy, Sr and Masters classes require CIK-FIA homologated front fairing mounting kit (1/CA/20 01/01/ET), also known as “push-back” or “drop-down” nosecone system. Technical drawings are provided on the WRKC website. Post-race technical inspections will be completed to ensure compliance.

The revision to the rule will be effective immediately after the completion of Race 8 on July 23rd, 2022. The rule has been revised due to the driving standard present in the Novice class. Penalties for all classes will remain as written.

Regards,

The 2022 WRKC Board of Directors
